

How many Band-Aids® do you have in your home? Give five cents for each one to help kids get medical supplies and the good news of God's love.

Count the pairs of shoes in your home. Give ten cents for each pair to remember that we need to always help one another as Jesus said to do.

How many slices of bread are in your home right now? Give two cents for each slice. Many children eat even less than a slice of bread for many of their meals.

God has blessed you with life and protected you every day! Give five cents for each year of your life so that other kids can be safe, too.

Ask your mom or dad how many loads of laundry they do in a week. Give ten cents for each load to show thanks for safe water that makes your clothing clean.
