6. If the earth were a golf ball, how big is Betelgeuse?
a. as big as a school bus
b. as big as the Empire State building
c. as big as 6 Empires State buildings

Deeper Discussion

1. The video starts by asking us to expand our view of God. Can you think of a time when you may have had too small a concept of God?
2. "If the earth were a golf ball..." Louie looks to the universe for clear examples of God's immensity. Are there other things in nature, such as a giant redwood tree or a newborn baby, that have reminded you of God's grandeur?
3. Sin shrinks God down in our mind and puffs us up in our own estimation. But purposefully paying attention to God's immeasurable greatness "resizes everything in a heartbeat." How can we do this better on a regular basis?
4. Just as He breathed out stars and knows every corner of the universe by name, God knows your name and keeps his eyes on those who fear Him. Discuss the hope and meaning found in Psalm 33:13-19.
